The Grand Knight Sez...

It's a couple days before Thanksgiving as I write this column and I reflect on the many things that I am thankful for.

First I am thankful for the blessings God has bestowed upon me and the strength He has given me to endure the tough times in life.

Second I am thankful for the support of my family. Since I have now achieved "Geezer" status, many of the things that were easily accomplished when I was 25 now take a lot of extra time and planning, it is nice to have the help of my kids and my bride to get me to the finish line.

I am also thankful for the help of my friends and brother Knights as I struggle to do the Grand Knight things that will ensure the continued growth and strength of our Council. Together we have achieved a lot in the first five months of my term.

Through the hard work of dozens of members, their spouses, and families we have achieved financial stability, had very successful social and fraternal activities, had the best council retreat ever, updated our bylaws, and had a lot of interesting and informative council meetings. Of course more remains to be done.

New members are vital to our continued growth and vitality. We need to renew our efforts in asking our Catholic friends to join us in spreading the vision of Fr. McGivney. If you need a Form 100 (Membership Application) you can call me or pick one up at a meeting.

I look forward to seeing you soon be it at a regular council meeting, the Senior's Dinner, the Isabella Guild Christmas Party or the Children's Christmas Party.

In closing I would like to wish you and your families a very Happy and Blessed Holiday Season filled with lots of love.

Vivat Jesus

Isabella Guild News

There will be no regular Isabella Meeting in December. The ladies ask that you join them for their Annual Christmas Party which is open to the public. See the flyer elsewhere in this newsletter for details.

Snow and the Flu Season are Just Around the Corner

As announced at a recent council meeting we ask that you consider staying home if you think you are getting the flu.

As much as we want to see you at our meetings and events, please consider the health of your brother knights.

Sharing stuff is normally a good thing. Sharing the flu bug is not.

We have made provisions to post meeting cancellations on the council website. If there is a blizzard going on and you are not sure if we will have a meeting check the website at www.frragan.com

I will also send out an e-mail if the weather causes a cancellation.
