Generating New Council Activities

As we begin a new fraternal year, all Father Ragan members should take note of the “Surge...with Service” program manual provided by Supreme Council which contains information and dozens of activity suggestions that council officers and others need to effectively perform in the Service Program and support our community.

A Knights of Columbus council can work wonders; in fact, with its many programs, it can help change a community, town, city or neighborhood. A successful Knights of Columbus council needs people taking an initial idea, modifying it to suit specific situations and local needs, and then implementing the program in a way that works.

Supreme Council’s Service Program follows the theme that we are a “Catholic, family, fraternal, service organization.”

- CATHOLIC — the common denominator for all of our members. Catholicism serves as the foundation for continued growth and performance.
- FAMILY — the very basis of society around which all our programs and activities revolve.
- FRATERNAL — banded together for the purpose of providing for the spiritual and material welfare of our membership.
- SERVICE — our involvement with and commitment to Church, community, council, family and youth.

For more information on the Service Program go to www.kofc.org/service. To download the “Surge... with Service” manual, go to:
