"Providing excellence in workmanship with customer satisfaction and safety as our prime goals"

Ray & Jeanne Gilles started their family owned business, Ray's Auto & Truck Service, from their Avon home in 1979 with son Mike. The Gilles' success enabled a move to their current state-of-the-art facility on Colorado Avenue in 1988. In 2000, a large truck shop was added to better service commercial fleets and heavy trucks. As a result of their commitment to quality and customer service, an expansion of their truck shop was completed in August 2008.

(pictured at left L-R) Mike and Ray Gilles' combined 50 plus years of hands-on experience, in addition to their skilled employees, has made Ray's Auto and Truck Service a trusted shop for residential and commercial customers throughout Lorain County and beyond for nearly 30 years.
